THE MONEY BACK STORE.

**Why It Pays To Buy At KLINE'S**

It's easy enough to learn. Visit the store, stroll through it with your eyes wide open. Our staple lines, the saving may not be more than 10 to 15 per cent., but in novelties and goods whose value the average shopper does not know very well, you will find a saving of 20 to 25 per cent. Make comparisons for yourself. Eliminating direct expenses and losses of the charge system and refusing to tax one class to compensate for the discounts and commissions allowed another, makes it easy for us to undersell competitors, and we do.

**HOUSE CLEANING OVER BY APRIL 1**

Board of Health Will Clean up Yards After That Date and Charge Expense to Property Owners.

Spring cleaning was the principal subject of discussion at the meeting of the Board of Health held last evening. This year the board will exercise its powers and attempt to get the city cleaned up on April 1. If spring house cleaning is not over by that time the board will do the work itself and charge the expense to the property owners. Back yards and other places clearing is not over by that time the board will do the work itself and charge the expense to the property owners. Back yards and other places clearing is not over by that time the board will do the work itself and charge the expense to the property owners.

A specific case which was considered was that of Augustine Noll, 254 Seaview avenue, whose premises have been the subject of discussion at previous meetings of the board. The attempt to get Noll into a public institution for incompetents has failed. He enjoys a small income from the estate of his parents but lives in wretchedness and squalor at his home on Seaview avenue. Alfred Griesinger, will be instructed to have the premises cleaned at least once a week.

Inspector Lynch reported several places in bad condition and the owners were given 10 days to clean them up. The monthly report of Health Officer McEllan gave the number of cases of diphtheria as 14, with two fatalities; typhoid fever, 2; scarlet fever, 23; no deaths; measles, 54 cases, no deaths. The total number of deaths was 117. Fourteen markets were inspected by Milk and Meat Inspector Knapp during February. They were all in good condition, and 1,100 pounds of diseased meat was destroyed. The output of 90 samples of milk tested were found to be watered. Of the 15 dairies visited only two were criticized and these had been put in good condition since. John R. Woodhull has not yet applied for government inspection and 65 carcasses of calves were stamped at his beef house during the month.

Sanitary Inspector David Lynch reported seven bake shops in poor condition. At the public abattoir 157 cattle and 223 calves were slaughtered during the month. The garbage collected amounted to 1,375,700 pounds.

Poley's Kidney Remedy will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. Cures backache and irregularities that neglected might result in Bright's disease or diabetes. F. B. Brill, local agent.
